## PRODUCT DESCRIPTION

The Piccadilly Seat is a classic design reimagined in 100% recycled plastic. All our recycled plastic seating is weather, oil, acid & seawater resistant, and is UV protected. It doesn’t degrade or splinter like timber. It doesn’t absorb water and the surface is fast drying. Recycled plastic is made from recycled materials and can be 100% recycled at end of life, making it an environmentally friendly option.

If you need some advice, call us and speak to one of our trained advisers.
