PRODUCT DESCRIPTION

This professional and robust commercial aluminium bollard light has a ‘Lighthouse’ style head. A matte garden green or stylish graphite black finish is available. A choice of height is available (400mm, 600mm, 800mm or 1000mm). Suitable for every application such as driveways, paths and sectioned areas. There are also 3 styles of head to choose from: ‘domed’, ‘pillar’ or ‘flat’ top.

Distance between bollards will vary depending on the bulb’s light output, the type of area and how much light is required. Recommended bulb - 20W corn bulb (not included). Maximum wattage - 60W.
