PRODUCT DESCRIPTION

Bold, square, practical, modern and cool – the Calero Recycled Plastic Bench and bench/table set is a favourite for urban and suburban surroundings. Available in brown, grey and black, the Calero is ready for anything.

All our recycled plastic seating is weather, oil, acid & seawater resistant, and is UV protected. It doesn’t degrade or splinter like timber. It doesn’t absorb water and the surface is fast drying. Recycled plastic is made from recycled materials and can be 100% recycled at end of life, making it an environmentally friendly option.
