Isola Picnic Table

ISOLA PICNIC TABLE

Product Code: SFD228

Dots

PRODUCT DESCRIPTION

The Isola table top is made to look like four separate planks but in fact, this picnic bench comes with a solid table top. This one-piece design has many advantages: nothing falls through, food doesn’t get stuck, litter can’t be pushed into nooks and dirt doesn’t gather. Just a quick wipe over and you’re done!

All our recycled plastic seating is weather, oil, acid & seawater resistant, and is UV protected. It doesn’t degrade or splinter like timber. It doesn’t absorb water and the surface is fast drying. Recycled plastic is made from recycled materials and can be 100% recycled at end of life, making it an environmentally friendly option.
