TITAN REINFORCED STEEL BOLLARD

Product Code: SFD5131

Dots

PRODUCT DESCRIPTION

Here at Street Furniture Direct we have be providing projects up and down the country with our high quality Steel Bollards. We are able to provide a wide range of options on all of our Steel Bollards from powder coating in any RAL colour, to a range of different caps.

The cap we provide as standard is a welded flat cap, but there are choices available including; a domed top, a semi domed top, a mitred top, along with many more for a small extra cost. If you do require a different cap please contact one of our trained advisers. Unlike many other companies we dont have any minimum order amount on our Steel Bollards and because these are in stock we would look to have them with you in 48 hours.

The **Titan Reinforced Steel Bollard** is available in 3 standard diameters; 139mm, 168mm, 194mm (Other dimensions are possible on request). Manufactured with an internal steel core to add strength, galvanised as standard and can be powder coated in a range of colours. Hazard Banding strips are also available for additional visibility at night. The Reinforced Steel Bollards offers the benefits of Anit-Ram for added security and protection for any area.

If you are looking for a selection of bollards or to create a collection of street furniture, let us know and we can help you put together a full solution.

*Powder Coating will require a longer lead time
