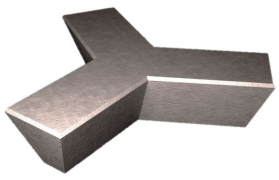
Tri Concrete Bench

TRI CONCRETE BENCH

Product Code: SFD235



Dots

PRODUCT DESCRIPTION

The Tri Bench is a solid three point bench that provides versatile seating in confined spaces, as well as providing excellent visual impact.

Bringing style and versatility to any environment, it offers a long lasting function with different finishes available depending on the environment and requirement.

We have the opportunity to finish in different colours so please don’t hesitate to ask if there is anything you need to know.
