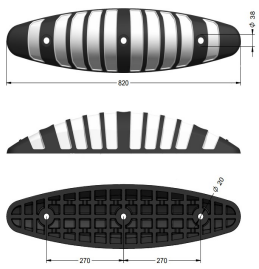
Large Bike Lane Separator -

LARGE BIKE LANE SEPARATOR - "LOOP"

Product Code: Large Bike Lane Separator - "LOOP"



Dots

PRODUCT DESCRIPTION

With cycling becoming more and more popular and councils up and down the country catering to this growing demographic, cycle lanes are more in-demand than ever. This continental style bike lane separator helps to delineate cycle lanes from vehicular traffic and increases visibility with its painted reflective banding.

The "LOOP" bike lane separator is made from 100% recycled plastic, further boosting its green credentials, and is fully recyclable at end-of-life.

Installation is through chemical plug and stainless screws with threaded rod of 12x150 mm (not included).

SPECIFICATIONS
