Cruise Bench

CRUISE BENCH

Product Code: SFD245

Dots

PRODUCT DESCRIPTION

The Cruise Bench is ideal for public parks, schools, and a variety of other outdoor public spaces.

As standard, the Cruise bench is manufactured from 5mm mild steel and then hot dipped galvanised to BS EN ISO 1461:2009. Clad in Softwood timber slats, treated with an external stain to increase the lifespan of the timbers, the bench is surface mounted.

For an additional cost, the seat can be supplied with hardwood slats and powder-coated in a range of RAL colours.

Skate stoppers available - please speak to our team for more information.

SPECIFICATIONS
