Impact Protection 1mtr

IMPACT PROTECTION 1MTR

Product Code: SFD63/1

Dots

PRODUCT DESCRIPTION

Impact protection foam provides both a visual warning and safety cushioning to hard objects. Available in 1 metre and 5 metre lengths, it is perfect for machinery, racking, conveyers, corners, columns, girders, production areas, transfer routes, hospitals and laboratories etc.

Manufactured from high quality, UV and age resistant flexible polyurethane (PU) foam. Easily applied to all clean, dust-free and de-greased surfaces. Further profiles are available on request.

The standard fixing option is via self-adhesive profile but removable, magnetic profile can be purchased for surfaces that do not require permanent protection, or require regular attention such as painting or cleaning.

- Prevents injury and protects property
- Quick and easy to install
