City Tour Bicycle Stand

CITY TOUR BICYCLE STAND

Product Code: SFD419

Dots

PRODUCT DESCRIPTION

The City Tour Bicycle Stand is designed to blend in with its surroundings, yet provides a functional method of securing bicycles. Available in two finishes: hot dip galvanised only or hot dip galvanised and powder coated in Anthracite iron mica DB 703. Can be sub-surface fixed or surface fixed.

Sturdily constructed in 48mmØ and 70 x 70mm steel tube, this product will provide outstanding service.

*Powder coating may require a longer lead time
