PRODUCT DESCRIPTION

Incredible design saving space and costs, the Eltham Cycle Rack is available as just the trough's alone for wall mounting or add with the rack for a stand alone unit. It secures the bikes in a completely vertical position in order to maximise the cycle parking capacity. The rack comes complete with locking loops to secure the frame, and a wheel which can help contribute towards gaining ENE8 Cycle storage credits when used in the appropriate situation, under the Code for Sustainable Homes.

Price shown is per bike space.
