Hyde Park Bench

HYDE PARK BENCH

Product Code: SFD213

Dots

PRODUCT DESCRIPTION

The two-tone Hyde Park Bench is a new take on the traditional park bench design. With clean, minimalist lines and a fresh, unconventional look, the Hyde Park range is a perfect balance of form and function. Ideal for everyday frequent usage and is protected against vandalism.

All our recycled plastic seating is weather, oil, acid & seawater resistant, and is UV protected. It doesn’t degrade or splinter like timber. It doesn’t absorb water and the surface is fast drying. Recycled plastic is made from recycled materials and can be 100% recycled at end of life, making it an environmentally friendly option.

If you need some advice, call us and speak to one of our trained advisers.
