Product Code: SFD5194

Dots

PRODUCT DESCRIPTION

Here at Street Furniture Direct we have be providing projects up and down the country with our high-quality Telescopic Bollards. All of our Telescopic Bollards are lockable and can be keyed alike or different, so you have control over who has access. Telescopic Bollards are a great way of securing an entrance or protecting against Ram Raids in a cost effective package.

The **114mm Diameter Polymer Telescopic Bollard** has a steel section installed into the ground and a rubber bollard that can be hidden to allow access. The Polymer Bollard has a black finish. If you are looking for a selection of bollards or to create a collection of street furniture, let us know and we can help you put together a full solution.
