Product Code: SFD5192/90

Dots

PRODUCT DESCRIPTION

Here at Street Furniture Direct we have be providing projects up and down the country with our high-quality Telescopic Bollards. All of our Telescopic Bollards are lockable and can be keyed alike or different, so you have control over who has access. Telescopic Bollards are a great way of securing an entrance or protecting against Ram Raids in a cost effective package.

Our Stainless Steel Telescopic Bollards are provided as standard in Grade 304. Grade 316 is also available, suitable for saline atmospheres such as coastal areas. The Stainless Steel finish will make it so it doesn't look out of place in a modern project. We hold in stock a range of Stainless Steel Telescopic Bollards to be able to have your order with you within 48 hours.

The **90mm Diameter Stainless Steel Telescopic Bollard** has a steel section installed into the ground and a stainless steel bollard that can be hidden to allow access. If you are looking for a selection of bollards or to create a collection of street furniture, let us know and we can help you put together a full solution.
