Torres Shelter

TORRES SHELTER

Product Code: SFD116

Dots

PRODUCT DESCRIPTION

The Torres Shelter is a functional and versatile steel frame and timber outdoor shelter, offering great protection from wind and rain. Its natural timber finish complements the landscape surrounding any building.
Suitable for numerous external needs such as bicycle parking, scooter parking, motorcycle parking, waiting areas and smoking/vaping areas.
As standard the shelter features a galvanised and a powder coated frame, with timber cladding to the rear and two sides.
It has a PET roof with guttering to the rear with 1 outlet and is surface mounted.

Bike Shelter - Each unit can provide cover for up to 8 bikes.

Scooter Shelter - SFD offers a range of scooter racks that are compatible with the Hennessey shelter. Our best value version is the Budget Scooter Rack

Motorcycle Shelter - We recommend the use of a hoop barrier for motorcycle parking. Speak to our team for a full range of available motorcycle stands.

Smoke/vape Shelter - Options include a range of cigarette bins and seating such as our anti vandal bench.

All our Shelters can be manufactured to be BREEAM compliant.

Please note this product arrives flat packed and will require experience to build and install. Appropriate groundworks and foundations must be prepared before installation. Contact our team for more information and installation guides.
