Scooter Parking Stand for 2 Scooters

SCOOTER PARKING STAND FOR 2 SCOOTERS

Product Code: SFD445

Dots

PRODUCT DESCRIPTION

Elegant yet strong and practical scooter parking stand for 2 scooters, manufactured in high grade steel. Ideal for parking places in front of public buildings, institutions and companies. Enhances the street scene. Plastic-coated holding clamps prevent scratching of handlebars. Holding clamps adjustable in height from 150 - 690mm to suit various scooter models. Scooters can be secured to stand using a padlock and/or a chain/cable (not supplied).
