CARLOS CANOPY

Product Code: SFD120

Dots

PRODUCT DESCRIPTION

The Carlos Canopy is a truly versatile canopy and ideal for a wide variety of purposes including school outdoor classrooms or play areas, waiting areas, courtyard covers, entrance canopies and walkways. It comes available in standard 4 metre modules from stock, or as a tailored unit to suit your requirements.

The Carlos 100% wall mounted, giving clear access and is ideal for situations where floor space is restricted. The steel structure is hot dipped galvanised and then powder coated to your colour choice - please contact us to discuss your RAL colour options. The curved pitched roof is clad with 5mm PET clear view cladding.

All our Shelters can be manufactured to be BREEAM compliant.

***Please note this product arrives flat packed and will require experience to build and install.**
