Martell Shelter

MARTELL SHELTER

Product Code: SFD115

Dots

PRODUCT DESCRIPTION

The Martell Shelter features a minimal design, whilst providing strength and durability to withstand any weather conditions. Choose from a corrugated steel roof or a clear PET roof.

The design is ideal for sheltering bicycle, scooter and motorcycle parking. It can also be used for waiting areas, walkways and smoking areas.

As standard it comes galvanised and can be powder coated in a range of colours.

Bike Shelter
The Martell Shelter is available in 2 heights; 2mtr (holding 10 bikes) and 2.9mtr (holding 18 bikes)

Scooter Shelter
SFD offers a range of scooter racks that are compatible with the Martell shelter. Our best value version is the Budget Scooter Rack

Motorcycle Shelter
We recommend the use of a hoop barrier for motorcycle parking.

Speak to our team for a full range of available motorcycle stands.

Entrances and Walkways

Martell can be placed at entrances to provide protection from the elements.

Smoke/Vape Shelter
Options include a range of cigarette bins and seating such as our anti vandal bench.

All our Shelters can be manufactured to be BREEAM compliant.

Please note this product arrives flat packed and will require experience to build and install. Appropriate groundworks and foundations must be prepared before installation. Contact our team for more information and installation guides.
