Cruise Seat

CRUISE SEAT

Product Code: SFD248

Dots

PRODUCT DESCRIPTION

The Cruise Seat is ideal for public parks, schools, and a variety of other outdoor public spaces.

As Standard the Cruise Seat is manufactured from 5mm mild steel and then hot dipped galvanised to BS EN ISO 1461:2009. Clad in Softwood timber slats, treated with an external stain to increase the lifespan of the timbers, the bench is surface mounted.

For an additional cost the seat can be supplied with hardwood slats and powder-coated in a range of RAL colours.

Available with or without armrests.
