Heba Plastic Cube Bench

HEBA PLASTIC CUBE BENCH

Product Code: SFD268

Dots

PRODUCT DESCRIPTION

The Heba Cube Plastic Bench is made from Medium Density Polyethylene (MDPE) which is lighweight and can be left free standing for easy moveability or fixed down with bolts. The surface is easily cleaned with water and is vandal resistant, it’s also UV protected so the colours don’t fade. Polyethylene can also be recycled at end of life.

The polyethylene bench has grooves for natural water run off and maintains a comfortable temperature through hot or cold weather.

Standard Colours: White, Grey, Sand. Available in a range of bright colours too.

Heba Cube Bench can be combined with other elements in the Heba collection to make interesting planter and bench combinations, with square, straight and curved units. Ideal for courtyards, roof terraces and pop-up parks.
