Sheffield Wall Rail

SHEFFIELD WALL RAIL

Product Code: SFD457

Dots

PRODUCT DESCRIPTION

The Sheffield Wall Rail is a simple wall mounted steel tube rail. It is an effective option for securing bicycles or motorbikes. It can also be used as a hand rail, or a dog leash point.

The Sheffield Wall Rail is galvanised as standard and can be powder coated in any RAL colour. Please contact the team to discuss your options. For powder coating the lead time will be 5-7 days.

We are able to provide matching bollards and benches to create a family of products in one area.

Features:

- Secure wall mounting
- Little to no maintenance
- Various uses
- Multiple locking points for bicycles
- Cost effective
- Powder coating available
