Bike Repair Station

BIKE REPAIR STATION

Product Code: SFD459

Dots

PRODUCT DESCRIPTION

The Bike Repair Station has been designed with bikes in mind. The handles at the top of the unit offer a stable position for the bike while working on it. The Bike Repair Station can be fixed down using M10 Expansion bolts to a secure foundation. As standard the Bike Repair Station is galvanised and powder coated yellow and supplied with a pump and a set of tools. Tools comprise of;

- Wrench
- Cross head screwdriver
- Flathead screwdriver
- Hex key set
- Tyre levers
- Tyre pump

We would recommend installing the Bike Repair Stations in secure private spaces such as residential car parks, cycle hubs and offices.

The Bike Repair Stations are not designed for open public realm use.
