City Bicycle Rack HELIOS

CITY BICYCLE RACK HELIOS

Product Code: SFD963

Dots

PRODUCT DESCRIPTION

The CITY Bicycle Rack HELIOS is manufactured from hot-dip galvanised steel offering a long service life. The 18mm tubular wheel guides will accommodate 64mm wide tyres.

The taller wheel guides help to prevent the wheels twisting, which prevents damage to the wheel. The staggered wheel guides help to save the width required for parking bikes. Approx. 1,850mm parking space depth required.

Supplied in knock-down form, all assembly materials and instructions are included in the box.

- Hot-Dip Galvanised for long service life
- Quick and easy to install
- Up to 64mm tyre width
- Tall wheel guides prevent damage to bicycle wheel
- Single sided parking
- Can be bolted together to create multiple parking combinations
