PRODUCT DESCRIPTION

The Oxford Boss 46 chain lock comes equipped with a 12mm square link chain made from high quality Ni-Cro-Mo alloy steel. The chain has a protective cloth sleeve to help prevent damage and make it easier to handle.

The padlock comes with three keys for which there is a key replacement service. When you buy your Boss 46, simply note down the number which comes attached to the keys on a metal tag. Keep this in a safe place then, in the event that you are unfortunate enough to lose all your keys, it will be possible to get a new key made up for you.

This chain lock has undergone rigorously independent testing and has Sold Secure Powered Cycle (Motorcycle) GOLD, ART 4076 approval and SBSC certified product. It also comes with a 2 year warranty.
